**TO:** MISD Substitute Teachers

**FROM:** John J. Cavazos  
Director for Human Resources

**DATE:** August 28, 2015

**SUBJECT:** Substitute Teacher Handbook

The purpose of this handbook is to provide information that will help answer questions and pave the way to a successful year of substitute teaching. This handbook is neither a contract nor a substitute for the official district policy manual. It is not intended to alter the at-will status of employees in any way. Rather, it should be viewed as a guide.

You are very important to the McAllen Independent School District and are recognized as an essential part of the educational process. Substitute teachers are encouraged to strive to master your skills, knowledge, competence, and lesson delivery. When your work as a substitute teacher reflects your expertise and mastery of each classroom setting, your ability to work usually increases.

The McAllen Independent School District is an equal opportunity employer and does not discriminate against any applicant/employee on the basis of race, color, religion, gender, national origin, age, or disability.

Welcome to substitute teaching with McAllen ISD. All McAllen ISD substitutes are expected to review this handbook.

District policies can be accessed on line at [McAllen ISD Policy On Line](#).

# Employment

---

## Equal Employment Opportunity

*Policies DAA, DIA*

McAllen ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns relating to discrimination for any of the reasons listed above, including sexual harassment should contact Mr. John J. Cavazos, the district Title IX coordinator.

## Discrimination, Harassment, and Retaliation

*Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

### [McAllen ISD Policy On Line](#)

#### **INFORMATION**

Any outsider seeking information should be directed to the office. Do not give anyone permission to take a child from the room without the principal's permission.

#### **ARRIVAL**

**Be sure to check the SFE system before leaving home for a job to make sure the job still exists.** Elementary substitutes are to report twenty (20) minutes before classes begin and secondary substitutes are to report fifteen (15) minutes before classes begin. This also includes half day assignments. Half day assignments entered on the SFE system by the employee may have specific starting and ending times. However, in order to establish guidelines, the schedule includes standard starting times for a p.m. assignment. Half day assignments will be for a minimum of three hours and forty-five minutes.

Substitute teachers at the secondary level are expected to report for the first hour and to remain in the building for the last hour, even if the absent teacher has a conference period at the beginning or end of the day. Generally, there is the preparation of materials, written reports, and other tasks to be accomplished during that time. Also, in the case of a last minute or emergency

absence, you may be asked to substitute during the conference period. Departure time depends on the Teacher/Aide schedule for that day.

### **UNIVERSAL PRECAUTIONS**

Substitute teachers are asked to practice universal precautions to prevent the transmission of bloodborne diseases in the workplace. If you have blood-to-blood contact with another person's blood or other bodily fluid containing blood during the course of your workday, please file a post-exposure report with the school nurse by the end of the day.

### **TERMINATION OF EMPLOYMENT**

If you wish to terminate your availability at any time, please contact the Human Resource Office. The district reserves the right to terminate a substitute teacher at any time for reasons deemed appropriate by the district.

### **Harassment of Students**

*Policies DF, DH, FFG, FFH*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

[McAllen ISD Policy Online](#)

### **Reporting Suspected Child Abuse**

*Policies DF, DG, DH, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material

impairment in the student's or minor's development, learning, or psychological functioning;

- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or disabled person.

Reports to Child Protective Services can be made to the Texas Abuse Hotline (800-252-5400). Suspected child abuse occurring on school district property shall also be reported to the McAllen ISD Police Department at 632-8768. State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## **Sexual Abuse and Maltreatment of Children**

The district has established a plan for addressing sexual abuse and other maltreatment of children. Suspected sexual abuse and other maltreatment shall be reported to the McAllen ISD Police Department at 632-8768. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental,

emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

## **Reporting Crime**

### *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## **Technology Resources**

### *Policy CQ*

The district's technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's computer or network resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Department of Technology at 632-3238.

## **Personal Use of Electronic Media**

### *Policy DH*

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing

websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

Each employee shall comply with the District's requirements for records retention and destruction to those requirements apply to electronic media. [See CPC]

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records. [See Policy FL]
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
  - Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
  - Copyright law [See Policy CY]

- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

## Use with Students

In accordance with the administrative regulations, a certified or licensed employee, or any other employee designated in writing by the Superintendent or a campus principal, may use electronic media to communicate with currently enrolled students about matters within the scope of the employee's professional responsibilities. All other employees are prohibited from using electronic media to communicate directly with students who are currently enrolled in the District. The regulations shall address:

1. Exceptions for family and social relationships;
2. The circumstances under which an employee may use text messaging to communicate with students; and
3. Other matters deemed appropriate by the Superintendent or designee.

## Criminal History Background Checks

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

## Employee Arrests and Convictions

### *Policy DH*

An employee must notify his or her principal or immediate supervisor within three calendar days of any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of any felony, and any of the other offenses listed below:

- Crimes involving school property or funds
- Crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator
- Crimes that occur wholly or in part on school property or at a school-sponsored activity
- Crimes involving moral turpitude

Moral turpitude includes the following:

- Dishonesty

- Fraud
- Deceit
- Theft
- Misrepresentation
- Deliberate violence
- Base, vile, or depraved acts that are intended to arouse or gratify the sexual desire of the actor
- Crimes involving any felony possession or conspiracy to possess, or any misdemeanor or felony transfer, sale, distribution, or conspiracy to transfer, sell, or distribute any controlled substance
- Felonies involving driving while intoxicated (DWI)
- Acts constituting abuse or neglect under the SBEC rules

If an educator is arrested or criminally charged, the superintendent is also required to report the educators' criminal history to the Division of Investigations at TEA.

### **ASSIGNMENT EXTENSION**

Substitutes must check with the office at the close of the school day to see whether they are to report the following day. It is best for all concerned that the substitute continues with the assignment until the return of the regular classroom teacher.

### **SUGGESTIONS FOR WHEN LESSON PLANS ARE NOT AVAILABLE**

There will be times when you will be faced with very sketchy lesson plans or with no plans at all. Similarly there may be occasions when the proposed materials may be too difficult to cover adequately without preparation. Following are some suggestions for handling this situation.

1. Check with the office to see if the regular teacher has left instructions there. At the secondary schools, check with the department head if there are no plans left in the room.
2. Try to maintain continuity of lessons by referring back to the last completed day in the lesson plan book if one is available. Try to provide a reasonable follow-up to the previous lesson.
3. Younger students are sometimes upset by a departure from regular routines. Try to maintain their regular schedule as much as possible but let them know that some things will be done differently that day. Ask for their cooperation and help them to understand that you need to organize your work lessons in your own way.
4. Accumulate your own materials (a "survival kit") including materials such as educational games, word puzzles, creative writing exercises, additional reading, math worksheets and other general assignments.

### **LOCK DOWNS**

Check with the office as to the procedure and code.

### **FIRE DRILLS/BOMB THREATS**

Check with the office as to exit routes and procedures.

# Student Issues

---

## Equal Educational Opportunities

*Policies FB, FFH*

McAllen ISD does not discriminate on the basis of race, color, religion, national origin, gender, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended. Questions or concerns about discrimination of students based on any of the reasons listed above should be directed to John Wilde, Director of Student Services.

## Student Records

*Policy FL*

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the Campus Principal for assistance.

## Parent and Student Complaints

*Policy FNG*

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

## **Administering Medication to Students**

*Policy FFAC*

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen<sup>®</sup>), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

## **Dietary Supplements**

*Policies DH, FFAC*

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

## **Psychotropic Drugs**

*Policy FFAC*

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student.

## **SPECIFIC DUTIES**

Substitute teachers should assume the same responsibilities as the regular teacher for supervision of students in the building, on the playground, or on field trip. The duty list should be consulted to see if the teacher for whom you are substituting is assigned to the cafeteria, hall or other duty. Consult the office for any change from normal procedure for that particular day. You should make certain that the following necessary tasks are accomplished during the day:

## **CONFERENCE/LUNCH PERIODS**

Each Principal shall make every effort to ensure one conference period and one duty-free lunch period. You may be required to give up on conference period to assist at the campus.

### **Procedure For Registration As A Substitute Teacher**

1. **APPLICATION:** Complete substitute teacher application on-line.
2. **CERTIFICATION:** It is required that substitutes possess either a valid teaching certificate or a “Substitute Teacher Certification” certificate. No one can substitute without a valid Teaching Certificate or a Substitute Teaching Certificate.
3. **COMPLETE FILE:** In order for your file to be considered complete, it is also necessary for you to provide the following materials:
  - A. If applicable, college teaching credentials and/or letters of evaluation regarding past teaching or substitute teaching experience
  - B. Original college transcripts
  - C. Copy of “Substitute Teacher Certification”
  - D. Substitute Teacher Profile Form
  - E. Reasonable Assurance Letter
  - F. Fingerprinting as per Senate Bill 9
  - G. Reference Forms (3)
4. **PAYROLL FORMS:** All new hires must complete the necessary payroll/personnel forms, including W4 forms, to indicate exemptions and status so that the correct amount of federal and Medicare taxes can be withheld. A copy of your Social Security Card and Driver’s License is also required.

### **Substitute Assignments**

Substitute assignments are made through the SmartFind Express System (SFE), which utilizes a computer located in the Human Resources Office with data/voice capabilities. SFE is accessed

by the public telephone system and information is entered using the touch-tone key pad and voice messages.

**Phone Numbers:** SFE: (956) 632-8480                      Helpdesk: (956) 632-8490

SFE enables McAllen Independent School District to offer broader opportunities for substitutes, while still allowing each school to choose the substitutes with whom they have worked well in the past. The system permits a substitute teacher to:

- Indicate his/her availability in half-day increments by the day of the week
- Temporarily change his/her phone number (this is similar to call forwarding but you must remember to change the number back to your regular phone number when you leave the temporary location)

This is how SFE works:

1. A teacher or principal calls SFE via the public telephone system.
2. An absence is reported and receives a job number.
3. SFE searches its listings and finds the appropriate substitute for the assignment.
4. During the morning or evening call-out period, SFE places a call to the substitute teacher.
5. The substitute teacher enters his/her telephone number and Personal Identification Number on the key pad of a tone generating phone. A narrator gives the details of the assignment.
6. The substitute accepts or declines the assignment. If accepted, the substitute receives the job number to use when reporting for the assignment.
7. On any day, after 12:30 p.m., the substitute teacher may call the SFE system in order to hear and to accept or decline any available jobs. If calling prior to 12:30 p.m., you will hear open jobs for that day only (if open jobs exist).

Whenever possible, requests for specific substitute teachers by principals and teachers are honored. If the teacher or school does not specify a particular substitute, SFE will select an appropriately qualified substitute. **SFE calls substitute teachers on a rotation basis.**

### **Preferred Substitute List**

Principals are able to select between five and fifteen substitutes and identify them as “preferred substitutes” FOR THEIR CAMPUS. These substitutes are selected by the Principal based on the performance record of the substitute. Generally, these substitutes have demonstrated some degree of expertise and mastery in the classroom. When a teacher enters an absence and does not specify a substitutes by name and phone numbers, and there is not a preferred substitute available, then the system selects by identifying the most qualified substitute for the particular position.

### **General Substitute Pool**

Individuals are selected randomly by the system to fill a position. The system goes to the pool of substitutes when it does not have a substitute identified by name or telephone number.

No assurance can be given regarding the regularity or length of assignments. All requests for substitutes must be made through the SFE system.

It is an expectation that substitute teachers will accept calls for assignments. If you accept a long term assignment with another school district, please let us know by calling the system, so that you will not be called needlessly. We understand that substitute teachers often need to make themselves, available to more than one district.

If you find that you need to cancel an assignment, you must first call SFE (632-8480) to cancel. Be sure to wait for the system to say "Job Number XXXXX has been canceled." (If you do not wait for the system to say this, the job has not been canceled.) After canceling with the system you must then call the campus to report your cancellation.

**SCHOOL CLOSING:** Whenever the schools are closed due to bad weather, an announcement will be issued to the media. Substitutes should not report to the school and will not be paid for the day. You will not be notified by the system.

**EARLY DISMISSAL:** Whenever the schools are dismissed early, substitutes must check with the campus Principal or Assistant Principal prior to being excused. Substitutes will be paid for their assignment as originally scheduled.

**SUBSTITUTE HELP DESK HOURS OF OPERATION:** If you need more information or have a particular concern, you may contact the SFE operator in the Human Resources office between 8:00 a.m. and 5:00 p.m. at 632-8490.

**TEACHER RETIREMENT SYSTEM:**

Retired school personnel who are participating in the Teacher Retirement System (TRS) should contact TRS for guidelines/guidance when contemplating working as a substitute teacher.

## General Guidelines for Substitute Teachers

### Acceptance of a substitute assignment

Once you have accepted a job assignment, you should realize that many **people are counting on you** to keep your assignment. The teacher who requested you as his or her substitute will plan accordingly.

### Punctuality

It is important that you **be on time** for your assignment. A bell schedule is provided for your information. You should arrive early enough to allow plenty of time to orient yourself to classroom responsibilities.

### Blocked Subs

**Any substitute who has been blocked from at least three (3) campuses will not be permitted to remain as a substitute teacher.**

**A substitute teacher may be blocked and not permitted to substitute at any time due to good cause or if it serves in the best interest of the District. Three (3) blocks will result in a District-wide block for at least the remainder of the current school year. A request by a Campus Principal to block a substitute teacher will be honored by the Human Resources Dept. Any questions refer back to campus.**

### Classroom Responsibilities

- **Do not** leave students alone in the classroom
- Review fire drill procedures
- Complete reports as requested and on time i.e., attendance reports/lunch reports
- Review lesson plans prior to the beginning of the school day
- **Follow the lesson plans**
- Use teaching materials specified in the lesson plans **only**
- Note students who have to leave the classroom to receive instruction elsewhere or who must leave the classroom for any other reason
- Perform all duties assigned to the regular classroom teacher for which you are assigned
- Follow the same workday schedule as the teachers on that campus
- Maintain confidentiality of student information
- Leave a brief note for the teacher describing what you accomplished for the day(s) you substituted

### Nurse's Schedule

Review the nurse's schedule and guidelines related to medication and situations related to medical emergencies. If the nurse is absent, find out who will be the contact person.

### Inclement Weather/Emergency Evacuation

Ask for specific instructions related to inclement weather, reports, and duties. Consult the school administrator (exit plans are posted in all rooms).

## **Parking**

Park in designated spaces. If you do not know where to park, ask the administrative staff upon your arrival or inquire prior to your assignment.

## **Discrimination, Harassment, and Retaliation**

*Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

[\*McAllen ISD Policy On Line\*](#)

## **Harassment of Students**

*Policies DF, DH, FFG, FFH*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

[\*McAllen ISD Policy Online\*](#)

## **Reporting Suspected Child Abuse**

*Policies DF, DG, DH, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or disabled person.

Reports to Child Protective Services can be made to the Texas Abuse Hotline (800-252-5400). Suspected child abuse occurring on school district property shall also be reported to the McAllen ISD Police Department at 632-8768. State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## **Sexual Abuse and Maltreatment of Children**

The district has established a plan for addressing sexual abuse and other maltreatment of children. Suspected sexual abuse and other maltreatment shall be reported to the McAllen ISD Police Department at 632-8768. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

## **Possession of Firearms and Weapons**

*Policies FNCG, GKA*

Employees, visitors, and students, including those with a license to carry a handgun, are prohibited from bringing firearms, knives, clubs or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school sponsored activity takes place. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisor, the McAllen ISD Police Department, or call 911 immediately.

## **Tobacco Products and E-Cigarette Use**

*Policies DH, FNCD GKA*

State law prohibits smoking, using tobacco products, or e-cigarettes on all district-owned property and at school-related or school-sanctioned activities, on or off school property. This includes all buildings, playground areas, parking facilities, and facilities used for athletics and other activities. Drivers of district-owned vehicles are prohibited from smoking, using tobacco products, or e-cigarettes while inside the vehicle. Notices stating that smoking is prohibited by law and punishable by a fine are displayed in prominent places in all school buildings.

## **Alcohol and Drug-Abuse Prevention**

*Policies DH, DI*

McAllen ISD is committed to maintaining an alcohol- and drug-free environment and will not tolerate the use of alcohol and illegal drugs in the workplace and at school-related or school-sanctioned activities on or off school property. Employees who use or are under the influence of alcohol or illegal drugs as defined by the Texas Controlled Substances Act during working hours may be dismissed. The district's policy regarding employee drug use follows:

## [Policy DH \(LOCAL\) and Policy DI \(LOCAL\)](#)

### **Safety**

#### *Policy CK series*

The district has developed and promotes a comprehensive program to ensure the safety of its employees, students, and visitors. The safety program includes guidelines and procedures for responding to emergencies and activities to help reduce the frequency of accidents and injuries. To prevent or minimize injuries to employees, coworkers, and students and to protect and conserve district equipment, employees must comply with the following requirements:

- Observe all safety rules.
- Keep work areas clean and orderly at all times.
- Immediately report all accidents to their supervisor.
- Operate only equipment or machines for which they have training and authorization.

Employees with questions or concerns relating to safety programs and issues can contact the McAllen ISD Police Department at 632-8768.

### **Pest Control Treatment**

#### *Policies CLB, DI*

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program.

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located at the entrance of every building. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written or electric means. Pest control information sheets are available from campus principals or facility managers upon request.

### **Dismissal of Noncontract Employees**

#### *Policy DCD*

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain

protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance.

## **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."
